MGB-10 Conducts Orientation/Seminar for Geodetic Engineers

The Geodetic Engineers in attendance during the One-Day Orientation Seminar on Basic Mining Law and Standardization on the Conduct of Mineral Land Surveys for all MGB Deputized Geodetic Engineer

A total of twenty nine (29) Geodetic Engineers who are private practitioners from the different parts of Region 10 attended the one-day Consultation/Orientation-Seminar on Basic Mining Law on October 20, 2017 held at the Mall berry Suites Business Hotel, Limketkai Center, Cagayan de Oro City. Out of the twenty nine (29) Geodetic Engineers, sixteen (16) are already MGB-10 deputized while thirteen (13) are still to be deputized.

The highlight of the one-day activity was centered on the levelling and harmonization of process flow to establish a standard conduct of Mineral Land Surveys for all MGB 10 deputized geodetic engineers.

The topics presented include Salient Features of R.A. 7942 or the Philippine Mining Act of 1995, R.A. 7076 or the Peoples Small-Scale Mining Act, Executive Order No. 79, Responsible Mining for Sustainable Development and Processes Flow on Mineral Land Surveys Applications, Area Clearance, Hydrographic Survey and Survey Returns Preparation presented by MGB-10 technical personnel. Cary Mark L. Pelayo, Engr. II of EMB-10 discussed the context of Environmental Compliance Certificate.

The Geodetic Engineers expressed their appreciation on the Orientation Seminar and suggested for a subsequent conduct in the future.
