Strengthening IEC on Mining Laws and Devolved Functions

Engr. Rodante B. Felina, Chief Mine Safety Environment and Social Development Division (MSESDD) (standing left) and Engr. Daniel S. Belderol, Chief-Mine Management Division of the Mines and Geosciences Bureau-X during the conduct of an Information Dissemination on Mining Laws, Rules and Regulations including DENR-MGB Devolved Functions to the Local Government Units during the Sangguniang Bayan Session of the Municipality of Villanueva, Misamis Oriental.

During the Open Forum, Municipal Vice Mayor, Hon. Edwin C. Dagasuhan, the Presiding Officer along with the members presented issues and concerns regarding sand and gravel operations particularly on taxes and fees in favor of the Local Government of Villanueva, Misamis Oriental.
